“AS LIZZIE SAMUELS”

TOP 21 TV DEATHS THAT DESTROYED US

20. LIZZIE SAMUELS (BRIGHTON SHARBINO), THE WALKING DEAD 🍅 81%

Carol (Melissa McBride) had a crushing decision to make in season 4 episode “The Grove.” After Lizzie killed her own sister and indicated that she planned to kill more — and saw nothing wrong with that — and knowing that there is no way to manage a person having a dangerous psychotic break when you’re on the run with an infant during a zombie apocalypse, Carol made the call to shoot the girl. It was a shocking turn of events in the series and even became a meme (“look at the flowers”).

EXCLUSIVE: Good Dead Entertainment has acquired Growing Up Smith starring Alvin and the Chipmunks' Jason Lee. The project was directed by Frank Letteri and is the helmer's first theatrical release. The comedy is about an Indian family in 1970 who moves to America with hopes of living the American Dream. However, their 10-year-old son, Smith, has his own dreams after he falls head-over-heels for the girl next door and he is driven to become a "good old boy," propelling him further away from his family. The film will be released in October of this year. The project is being produced by Letteri, Anjali Nigam (who also stars in the film) and Steve Stralke. The script was written by Gregory Scott Houghton, Anjali Nigam and Paul Quinn. The film also stars Brighton Sharbino, Hillary Burton, Roni Akmal, Poorna Jagannathan, Samrat Chakrabarti, Sherie Naveen and Jake Boney.

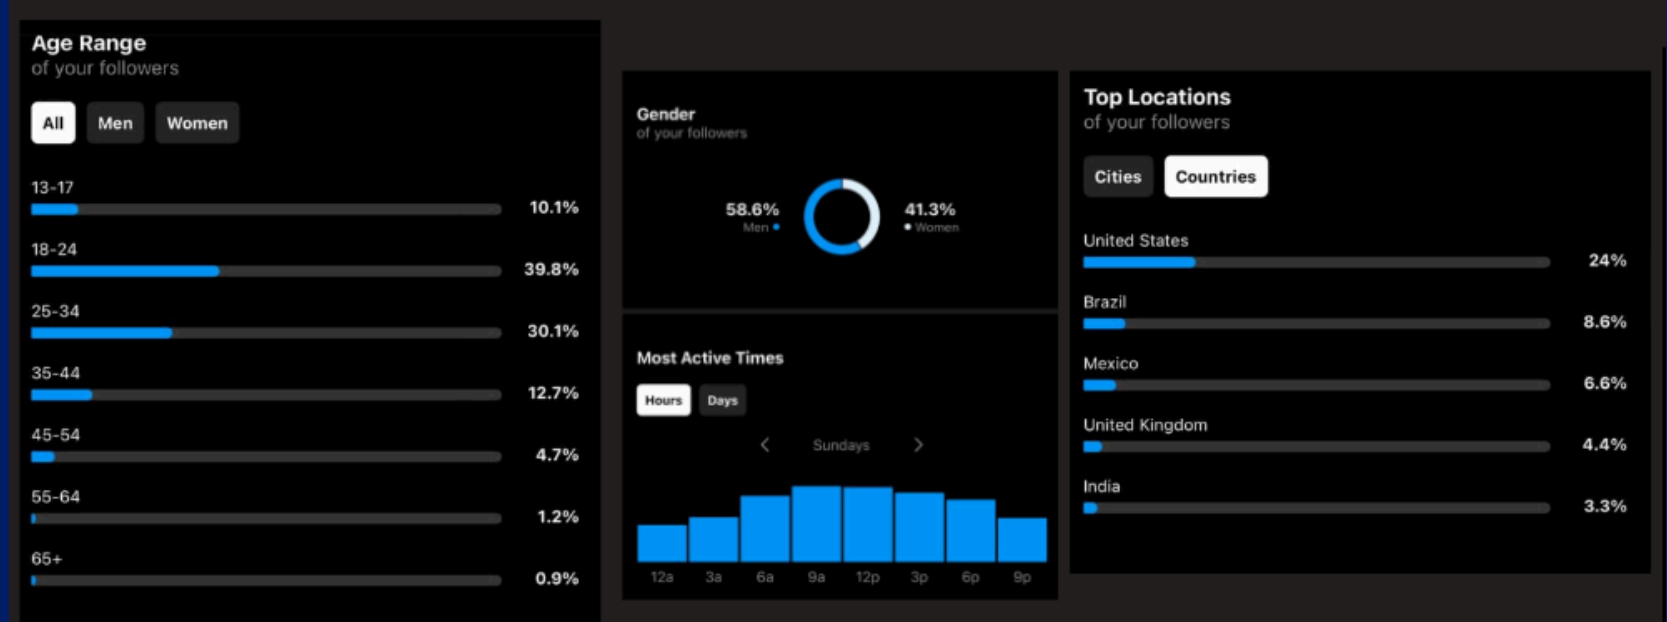

The Walking Dead: Remember Lizzie Samuels? You won't believe what she looks like now...
LIZZIE SAMUELS' death was easily one of the most controversial in The Walking Dead's history, but now actress Brighton Sharbino is all grown up and she's unrecognisable today.

Supergirl returns with action-packed trailer
Joined by her sister Mika, Lizzie was informally adopted by Carol who vowed to raise the siblings as her own following the death of their father. The sisters were drastically polarized throughout their time in the zombie-epic, with Lizzie proving capable of taking a human life but unable to destroy walkers with whom she felt an emotional connection, while Mika thrived on killing walkers but showed too much compassion to kill humans.
